

The New "Trial Justice."

Mr. Corbin, on Saturday, introduced the following "Bill to define the Criminal Jurisdiction of Trial Justice," of which he had previously given notice:

It provides that Trial Justices shall have Jurisdiction of all offences which may be subject to the penalties of either fine or forfeiture, not exceeding one hundred dollars, or imprisonment in the Jail or House of Correction not exceeding thirty days, and may impose any sentence within those limits, singly or in the alternative.

They may punish by fine not exceeding one hundred dollars, or imprisonment in the Jail or House of Correction, not exceeding thirty days, all assaults and batteries, and other breaches of the peace, when the offence is not of a high and aggravated nature, requiring, in their judgment, greater punishment.

They may cause to be arrested all affrayers, rioters, disturbers and breakers of the peace, and all who go armed offensively to the terror of the people, and such as utter menaces or threatening speeches, or otherwise dangerous and disorderly persons.

Persons arrested any for said offences shall be examined by the Trial Justice before whom they are brought, and may be tried before him, and if found guilty, may be required to find sureties of the peace, and be punished within the limits prescribed in Section 2, or when the offences is of a high and aggravated nature, they may be committed or bound over for trial before the Court of General Sessions.

They shall have jurisdiction of larcenies, by stealing of the property of another, of money, goods or chattels, or any bank note, bond, promissory notes, bill of exchange or other bill, order or certificate; or any book of account for or concerning money or goods due, or to become due, or to be delivered, or be delivered; or any deed or writing containing a conveyance of land; or any other valuable contract in force; or any receipt, release or discharge, or any writ, process or public record, if the property stolen does not exceed twenty dollars in value.

They shall have jurisdiction of the offences of buying, receiving or aiding in the concealment of stolen goods or property.

They shall have jurisdiction of the offences of obtaining property by any false pretence, or by any privy or token, or by any game, device, slight of hand, pretensions to fortune telling, trick or other means, by the use of cards or other implements or instruments, where they would have jurisdiction of a larceny of the same property, and may punish said offences the same as larceny.

They shall cause to be arrested all persons, found within their counties, charged with any offence, and persons who, after committing any offence within the county, escape out of the same; examine into larcenies, felonies, grand larcenies, high crimes and misdemeanors; and commit or bind over for trial, those who appear to be guilty of crimes or of offences not within their jurisdiction, and punish those guilty of such offences within their jurisdiction.

All proceedings before Trial Justices, in criminal cases, shall be commenced on information, under oath, plainly and substantially setting forth the offence charged, upon which, and only which, shall a warrant of arrest issue.

The information may be amended at any time before trial.

All proceedings before Trial Justices shall be summary, or with only such delay as a fair and just examination of the case, required.

Every person arrested and brought before a Trial Justice charged with an offence within his jurisdiction, shall be entitled, on demand, to a trial by jury, to be selected in the manner indicated by Section 6 of the Act entitled "An Act to provide the temporary appointment of Magistrates, and to define their powers and duties," ratified 24th day of September, A. D. 1868.

Trial Justices are authorized to issue all necessary processes to carry their powers into effect, and may exercise all the powers heretofore conferred by law upon Magistrates.

Every person convicted before a Trial Justice, of any offence whatever, and sentenced, may appeal from the sentence to the next term of the Court of General Sessions for the county. The appellant shall be committed to abide the sentence of said Court until he recognize to the State in such reasonable sum, and with such sureties as the Court requires, with condition to appear at the Court appealed to, and at any subsequent term to which the case is continued, if not previously surrendered and discharged, and, so from term to term, until the final decree, sentence or order of the Court thereon; and to abide such final sentence, order or decree, and not depart without leave; and, in the meantime, to keep the peace and be of good behavior.

All Acts and parts of Acts inconsistent or supplied by this Act are hereby repealed.

The Bill for the appointment of Trial Justices received its third reading in the Senate on Saturday, passed, and was sent to the House of Representatives.

HENRY'S CONSTITUTION RENOVATOR.
OR
BLOOD CLEANSER.

This medicine is known to the faculty as being the concentrated fluid extract of Sarsaparilla united with other valuable medicinal herbs, and is guaranteed as chemically pure.

FOR THE CURE OF SCROFULA AND CONSUMPTION.
This remedy is compounded expressly for purifying and cleansing the blood of all impurities, going at once to the fountain-head of disease. It extinguishes

Tumors, Consumption, Syphilis, Skin Eruptions, Salt Rheum, Boils, Rheumatism, West of Vitality, Scrofula.

We all know that the promiscuous vaccination indulged in during the late war broke the most villainous diseases. Vaccination was taken from the arms of many persons full of scrofulous matter.

Then of course the impurities of the scrofulous patient were absorbed in the blood of men otherwise without diseases, and both became infected alike. Men, women and children throughout all the West are most woefully diseased from this cause, and know not, until a few months ago, the origin of it.

HENRY'S CONSTITUTION RENOVATOR Relieves the Entire System of Pains and aches, enlivens the spirits, and sends new blood

BOUNDING THROUGH EVERY VEIN.

It imparts a

Sparkling Brightness to the Eye,

A Rosy Glow to the Cheek,

A Ruby Tinge to the Lips,

A Clearness to the Head,

Brightness to the Complexion,

Buoyancy to the Spirits,

And Happiness on all Sides.

For all affections of the kidneys it is unsurpassed.

People have been rescued, as it were, from the very jaws of death, by a timely use of this great remedy.

EXTRACTS FROM VARIOUS LETTERS.

"Doctor, I was vaccinated in the hospital. Before that I had no skin disease. Until I had a bottle of your 'Constitution Renovator,' sent me by Mr. Roper, of Columbia, Mo., I suffered tortures with running sores. Since I used two bottles I am all well except a small sore on the calf of left leg, and that is getting well fast."

This from a lady:—"And now my skin is as clear and fair as a babe's. My complexion, thanks to your 'Renovator,' is beautiful."

"Yes, yes, I may well say such relief was unknown to me before. Enclosed find five dollars for six bottles: two families here want to try it."

"I was very much troubled with syphilis. Your remedy seems to be curing me fast. Send 4 bottles per Express."

"No more rheumatism. Three bottles of Constitution Renovator have made me a new man."

"Doctor enclosed find \$5. Please send me a supply. Two families here want to try your Constitution Renovator."

We have not space for more of the above extracts, but you can ask your neighbor about the remedy. Every one has something good to say as it cures every time.

FOR ALL DISEASES OF THE KIDNEYS, RETENTION OF THE URINE, &c., &c.

And for Female Diseases, Nervous Prostration, Weakness, General Lassitude, and Want of Appetite, it is unsurpassed.

CAUTION!—In ordering our remedy always place the number of our Post-Office Box on your letters. The new law in our New York Post Office compels this.
